LAS VEGAS CITY GOVERNMENT

The city of Las Vegas was incorporated on March 16, 1911, and until 1944, operated under a commission form of government with each Commissioner having administrative control over certain operating departments of the city. Since January 1, 1944, the city of Las Vegas has operated under what is commonly known as a council/manager form of government. This form of government was approved by a vote of the people with subsequent Las Vegas City Charter adoption by the Legislature.

Until 1975, the voters of the city elected the Mayor and four City Councilmembers. A vote of the people in June of 1973 approved a City Charter amendment dividing the city into four wards. This allowed the Mayor to be elected at large and each Councilmember to be elected by the voters of his or her own ward. The City Charter amendment was subsequently adopted by the Legislature with the first election by ward held in 1975. The elected officials chose to use the title Commissioner until 1983 when a new City Charter approved by the Legislature changed their title to Councilmember.

A vote of the people in 1999 approved a controversial ballot question to divide the city into six wards. Anticipating a favorable vote, the State Legislature and City Council had previously passed enabling legislation permitting the expansion to six wards. The change to six wards became effective January 1, 2000.

The citizens elect the Mayor and six council members who comprise the City Council. Their terms are four years, with elections staggered every two years.

The Mayor

The Mayor serves as a member of the City Council, presides as chair over its meetings, performs ceremonial duties and is the Chief Executive Officer of the city. The Mayor serves as the official representative of the people in all matters and officially signs enactments of the City Council. One of the council members is elected by the City Council to serve as Mayor Pro Tempore to act in the absence of the Mayor.

The City Council

The City Council, including the Mayor, is the governing body of the city and exercises legislative power by enacting ordinances, resolutions, orders and other policies necessary for the management and execution of the powers vested in the city through the City Charter. Among other things, the City Council is empowered to:

- Appoint the City Manager and approve the appointment by the City Manager of the department heads, their assistants and other city staff.
- Adopt an annual budget.
- Act as the Redevelopment Agency.
- Enact and provide for the enforcement of all laws and ordinances.
- May acquire, sell and lease buildings and property.
- Enter into contracts, agreements, franchises, etc.
- License and regulate all businesses, trades and professions.
- Organize, regulate and maintain a fire department.
- Protect the public health.
- Enact and enforce building and safety codes.
- Provide for the zoning, subdivision and use of private land and buildings.

- Provide for traffic control.
- Provide for the abatement, prevention and removal of nuisances.
- Establish and appoint citizens to serve on city of Las Vegas boards - Planning Commission, Civil Service Board, Arts Commission, Historic Preservation Commission, to name just a few.

Also, members of the City Council serve on various boards - Las Vegas Convention and Visitors Authority, Regional Transportation Commission, Regional Flood Control, District Board of Health, Las Vegas Chamber of Commerce, Metropolitan Police Committee on Fiscal Affairs, etc.

The City Attorney

The City Attorney is appointed by the City Council and provides legal guidance and support for elected city officials, city departments, and boards and commissions in conducting city business. The office represents the city before judicial and administrative agencies in civil litigation proceedings and prosecutes all traffic and misdemeanor violations occurring within the limits of the city of Las Vegas. The City Attorney's Office also provides legal guidance to city departments, board and commission members and elected officials concerning matters that may present a conflict of interest.

The City Auditor

The City Auditor's Office operates under the direction of the City Council. The Mayor, subject to ratification by the City Council, appoints the City Auditor. The City Auditor is responsible for directing audit professionals in a comprehensive audit program including performance audits, compliance audits, special audits, information systems audits and financial audits. The City Council created an Audit Committee to review and evaluate internal audit activities. The committee is appointed by the Mayor and is comprised of two City Council members and three members of the community-at-large.

The City Manager

The City Manager is appointed by the City Council and is responsible for the effective administration and operation of all municipal services for the City of Las Vegas. The City Manager supervises the city's general affairs; exercises control over all of the departments and divisions of city government and over all of the officers and employees of the city; gives the City Council information concerning the state of the city and recommends the adoption of bills and programs that he deems are necessary and appropriate; submits the annual budget of the city to the City Council; ensures that all general laws and ordinances of the city are observed and enforced; ensures that all contracts of the city are faithfully kept and fully performed; executes contracts and other documents which are delegated to her/him by the City Council; and performs administrative duties that are designated by the City Council or prescribed by ordinance.

The City Charter

The State Legislature adopted the City Charter on January. 1, 1944, which established a council/manager form of government for the city of Las Vegas. The Charter establishes the municipal government empowered by NRS 268 and is a part of the Las Vegas Municipal Code. City Charter changes can only occur by Nevada legislative action or a vote of the people. It is to the city what the Constitution is to state and federal governments. To access the City Charter and the Las Vegas Municipal Code, go to the city's website, click on the Search window in the upper right hand corner. Select the "Laws and Codes" tile or type in Laws & Codes in the search box.

The City of Las Vegas Website

The city of Las Vegas' website is www.lasvegasnevada.gov. The website is tailored for citizens, businesses, visitors and new residents. Information on all aspects of city government, including services and responsibilities of each department, is available on the website, as well as online or e-services including paying parking tickets.

LAS VEGAS MUNICIPAL COURT

Per an act of the Nevada State Legislature, approved March 16, 1911, relative to the incorporation of the city of Las Vegas, the first Municipal Court Judge was appointed by the Las Vegas City Commission on June 22, 1911. A single Municipal Court Judge presided until 1969 when the City Commission appointed an additional judge for Department 2. In 1975, and by ordinance, Department 3 was established with Department 4 being added in 1977. To further serve our growing community, the City Council created Departments 5 and 6 in 1989 and 1991 respectively.

The citizens elect the judges at large by department number. Each judge presides over his or her respective department. In 2001, the Nevada State Legislature increased the judicial terms from four to six years.

The qualifications for Municipal Court Judge are:

- Voted upon by the registered voters of the city at large.

The Municipal Court, of the city of Las Vegas, became a 'Court of Record' on December 1, 1995.

Alternate Judges

Registration Accommodations

If you cannot sign your name on your voter registration application: You must register and be identified in person at the Election Department. If you are unable to appear in person, you may request the Election Department send an election official to you.

Your Voter Registration Card

The Election Department will mail you a voter registration card whenever:

- You submit a properly completed voter registration application.
- You update your registration data, e.g., change your name, address or party affiliation.
- The Election Department makes changes to your polling place, precinct or political district(s).

If you do not receive your card within two weeks after submitting a voter registration application or updating your registration data, or if you lose your card and would like another, call (702) 455-VOTE(8683).

If the Post Office returns your Voter Registration Card to the Election Department as undeliverable or indicating you've moved, your registration may be made inactive.

When you receive your card, verify your information is correct. If there are errors, contact the Election Department at (702) 455-VOTE. Your card will contain the following information:

- Name.
- Residential address and mailing address (if different from your residential address).
- Precinct number and an indication if it is a mailing precinct.
- Political districts in which you are entitled to vote.
- Registration Number.
- Party affiliation. (Note that Municipal Elections are Non-Partisan)

You may view your current registration information on the Internet if you are a properly registered Clark County voter. Simply enter your name and date of birth, exactly as specified on the web page. You can then check your registration number, political party, precinct number, date of birth, home address,

polling place address and all of the elected officials for your precinct as well as contact information. The webpage is located at: www.clarkcountynv.gov/vote.

Military and Overseas Residents

Military personnel and their dependents temporarily living outside of Clark County, and Clark County residents temporarily living overseas should submit a Registration and Absentee Ballot Request - Federal Post Card Application (FPCA) instead of the standard voter registration application. It is a combined voter registration application and mail ballot request that eliminates the need to submit these items separately. The registration/mail ballot request is valid for one year only. The FPCA is available from voting officers at military bases, U.S. embassies or consulates and the Election Department.

Keep Your Address Up-To-Date!

Make sure the Election Department always has your current mailing address; otherwise you may not receive your mail ballot and other election related materials, and you may not be able to vote for your local representatives. When you move or change your mailing address, notify the Election Department in writing as soon as possible prior to the registration deadline. Your HANDWRITTEN SIGNATURE is always required. Proper notifications include:

- Your voter registration card, with the back fully completed
- A change of address card, available for printing from the Internet at www.clarkcountynv.gov/vote or you may call (702) 455-VOTE(8683)
- A voter registration application, which you may request at www.clarkcountynv.gov/vote or you, may call (702) 455-VOTE(8683), or file online at <https://nvsos.gov/sos/elections>

Your registration may be made INACTIVE if your address is not current. If non-forwardable mail, such as your voter registration card or sample ballot is returned as undeliverable or indicating you have moved, you will be sent a forwardable notice advising you to update your address with the Election Department. You must do so within 30 days or your registration will be placed on inactive status.

You will no longer receive election related materials, such as sample ballots, because the Election Department does not know your current address. You may still vote, but you will be asked to confirm your address and once updated, you will be able to vote for the races relevant to your current address. The National Voter Registration Act (NVRA) requires the Election Department to CANCEL your registration if your status becomes inactive and you don't vote in two consecutive federal elections. You must then re-register to vote again.

Sample Ballots

Make Voting Easier and Faster

Voting will be easier for you and faster for everyone if you study, Mark and bring your sample ballot with you when you vote. Do not wait until you are in the voting booth to review your sample ballot.

Sample Ballots Available Electronically

Sample ballots are available in both electronic and paper form. Thanks to a recent change in state law, voters can choose to receive their sample ballot via e-mail instead of through the regular mail. Voters wishing to receive their ballots electronically must submit an online request. To do so, log into Registered

Voter Services at www.clarkcountynv.gov/election, select Request My Sample Ballot Electronically (Go Green) from the Voter Services dropdown menu, enter your e-mail address and click "Save." You will immediately receive a confirmation e-mail indicating that you will no longer receive paper sample ballots. E-mail addresses are confidential and will not be given to third parties. (NRS 293C.558(2)(4)).

When to Expect Your Sample Ballot

Every active registered voter in the city of Las Vegas will be sent a sample ballot before early voting begins. Sample ballots are NON-FORWARDABLE. If you moved and do not notify the Election Department in writing of your new address by the registration deadline, you will not receive your sample ballot.

What Your Sample Ballot Contains

Your sample ballot contains valuable information you will need for voting:

- Early Voting Schedule: The dates, times and locations of early voting sites open during the period before Election Day.
- Reproduction of Your Ballot: containing the races for which you are eligible to vote.
- Voting Instructions: Sample ballots will have simple voting instructions for Clark County's voting systems. Sample ballots customized for mail ballot voting will include instructions for optical scan voting.
- Ballots will be available in 14 point font, and in English, Spanish and Filipino for the Municipal Elections.

Early Voting

Vote Centers for the city of Henderson, North Las Vegas and Boulder City can be found on pages 18-19.

THE VOTING PROCESS

Verification of Identity

Upon arrival at the site, your eligibility and signature will be verified before you are allowed to vote. Computers at each site are connected to the Election Department's centralized voter registration files and your voting record will be updated when you vote, thus preventing the possibility of you voting twice. All sites use Edge touch screen voting machines. These machines also provide English, Spanish and Filipino ballots and instructions. It will be helpful to bring your sample ballot and have a picture identification available as it may be required under certain circumstances.

Receive Activation Card

After verifying your identity, you will be given a voting machine activation card, which contains no personal information and must be returned before leaving the facility.

Vote

Proceed to a touch-screen voting machine where you will insert the card into the machine allowing you to vote your ballot of eligible races as reflected on your sample ballot. You will be prompted to print a voter verifiable paper printout of each ballot and that will stay with the machine. Return the activation card to an election official as soon as voting is completed.

NOTE: It is a felony for an eligible voter to vote or attempt to vote more than once in the same election.

Early Vote/Vote Center Accommodations

Disabled voters are accommodated inside of Vote Centers on Election Day and during early voting. All voting locations are accessible to the disabled. The height of the voting machine's booth is adjustable for wheelchairs, enabling voting without assistance in complete privacy with physical ease.

If you are disabled, you may request to have priority in voting. Election officials will take you to the front of the line for processing. You may then have first preference in voting on the priority machine designated for disabled voters.

Accommodations are designed to meet the varying types and degrees of assistance you may need:

- A large magnifying sheet is available inside each voting booth to aid in reading the ballot.
- Audio voting will be available at all early voting sites and at centralized locations on Election Day to permit voting in complete privacy without assistance from another person.

A person of your choosing may assist you in voting inside the booth, however; that person cannot be your employer, an agent of your employer, OR an officer or agent of a labor organization to which you belong, per NRS 293.296.

Mail (Absentee) Ballot Voting

Mail ballots accommodate voters who cannot or do not wish to vote in person during early voting or on Election Day. After the request is processed, the voter will be sent mail ballot voting materials, which include an optical scan ballot, a sample ballot designed for mail ballot voting and instructions. If you do not receive your requested mail ballot at least seven days before the election, please contact the Clark County Election Department at (702) 455-VOTE(8683).

Each calendar year, any registered voter, for any reason, may request a mail ballot, however; the request must be made in WRITING annually.

If you are a first-time voter who did not provide I.D. when you registered, you must provide I.D. when you vote. Should you choose to vote by mail, you will be required to provide a copy of your I.D. either when you request or return the mail ballot for the first time or your ballot will not be counted.

How to Request an Absentee/Mail Ballot

Call: If you are eligible to vote in Municipal Elections, call the Clark County Election Department at (702) 455-VOTE(8683) to have a mail ballot request card sent to you.

Print: For this election you may print a mail ballot request from the city of Las Vegas website at www.lasvegasnevada.gov/Elections.

Write Your Own Letter

The letter must include the following for each person in the household requesting a mail ballot:

- Full name
- Date of Birth (optional)
- Clark County residential address and the address where you want the mail ballot sent (if different from the residential address)
- The elections (all, Primary, general, or special) in which you want to vote by mail. You will be sent a mail ballot for only those elections and no others, e.g., if you only indicate the Primary, you will not be sent a mail ballot for the general, special and vice-versa
- Handwritten signature
- Optional: A telephone number (in case any questions arise)
- Optional: Your Nevada voter registration number (on your voter registration card).

The request must be received in the City Clerk's office 495 S. Main St., Las Vegas, Nevada, or the Clark County Election Department, 965 Trade Drive, on or before 5 p.m. on the Tuesday before Election Day.

The specific deadlines are:

March 26, 2019: Last day to RECEIVE written mail ballot requests for the April 2, 2019 Municipal Primary Election.

June 4, 2019: Last day to RECEIVE written mail ballot requests for the June 11, 2019 Municipal General Election.

Do **NOT** drop off your voted mail ballot at an Early Voting or Election Day Vote Center. It will **NOT** be accepted. You may drop it off at the Las Vegas City Clerk's office or the Clark County Election Department on or before 7 p.m. on Election Day. Please see contact information contained within this guide.

Voting In Person Instead of By Mail After Requesting a Mail Ballot

If you requested a mail ballot, you still have the option of voting on an electronic voting machine at an early voting site or at a Vote Center on Election Day. If you are in a mailing precinct, you may only do this at an early voting site, **NOT** at a Vote Center on Election Day.

- **If You Have Your Mail Ballot**
Surrender your voted or non-voted mail ballot (in the packet sent to you) to an election official at the voting site. He/she will then process you to vote.
- **If You Do Not Have Your Mail Ballot**
You will sign an affirmation at the voting site swearing that you have not already voted in the current election. An election official will verify your affirmation against Election Department records.

Mail Ballot Accommodations

Reasonable accommodations will be made for the use of mail ballots by disabled or elderly voters.

If You Cannot Sign Your Name

If you cannot sign your name due to a physical disability, you may still vote by mail. You must submit a written statement to the Election Department, on an annual basis, containing:

- A statement from a physician licensed in Nevada certifying that you are unable to mark or sign a ballot, or use a voting device without assistance because of a physical disability.
- The name, address and signature of the person who will assist you in marking or signing the mail ballot on your behalf.

The assisting person may, on your behalf, mark or sign your mail ballot, but must indicate next to your signature that the ballot was Marked and signed on your behalf.

NOTE: It is a felony for an eligible voter to vote or attempt to vote more than once in the same election.

EMERGENCY BALLOT VOTING

You May Vote on an Emergency Basis

You may apply for an emergency ballot beginning the sixth day before an election through 5 p.m. on Election Day. An emergency ballot will be issued to your authorized representative only if you are suddenly hospitalized, OR you suddenly become seriously ill, OR you are suddenly called away from home.

And all of the following apply:

- Your illness, hospitalization or absence occurs after the last day for requesting a mail ballot,
- AND you cannot go to an early voting site or the period for early voting has ended,
- AND you cannot go to the polls on election day,
- AND you can provide facts sufficient to establish the emergency.

You may apply for an emergency ballot at the Clark County Registrar's office during the period for Emergency Voting.

The Clark County Registrar of Voters must receive voted emergency ballots on or before 7 p.m. on Election Day in order for them to be counted.

NOTE: It is a felony for an eligible voter to vote or attempt to vote more than once in the same election.

CITY OFFICES AND FILING INFORMATION 2019

Municipal elections are **OPEN** and **NONPARTISAN**. That means, candidates' political parties do not appear on the ballot. You must be a properly registered voter of the city of Las Vegas to vote in this election and you may vote regardless of your party affiliation.

Las Vegas City Charter provides that if, in the Primary City Election, one candidate for an office receives more than a majority of votes cast, they are Declared elected and no General City Election is held. If no candidate for that office receives a majority of votes, the names of the two candidates receiving the highest number of votes are placed on the ballot for the General City Election. Therefore, **YOUR PRIMARY ELECTION VOTE IS VERY IMPORTANT!**

The term of office for the Mayor and each Council Ward is four years.

The city's Primary Election will be held on Tuesday, April 2, 2019 and the General Election, if required, will be held on Tuesday, June 11, 2019. Offices for election are:

MAYOR-Elected At Large	COUNCILMEMBERS - Wards 1,3,5
Salary: \$146,574	Salary: \$81,430

Filing Fee:

\$100 (cash, check, certified check or money order accepted)

When to File:

Tuesday, January. 22, 2019, 8 a.m.–Filing for office begins
Friday, February. 1, 2019, 5 p.m.–Filing for office closes
Excluding Saturday and Sunday

Las Vegas City Clerk's Office
495 S. Main St., Second Floor, City Hall
(702) 229-6311 Dial 7-1-1 for Relay Nevada

What to Bring:

1. (A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate and the candidate's address; or
2. A current utility bill, bank statement, paycheck, or document issued by a governmental entity, including a check, which indicates the candidate's name and residential address.

When filing for office, a complete filing packet will be provided. This packet will contain forms, instructions and general information necessary to comply with the requirements of Las Vegas City Charter, Las Vegas Municipal Code, and Nevada Revised Statutes. (NRS 293C.185)

Using a nickname on the ballot:

A nickname of not more than 10 letters may be used on the ballot; however, it must be in quotation marks and appear immediately before the candidate's surname. Other provisions apply under NRS 293.2565.

QUALIFICATIONS FOR OFFICE

Each candidate for COUNCILMEMBER shall be a qualified elector* who has actually**, as opposed to constructively, resided within the ward which he/she desires to represent for a period of not less than 30 days immediately prior to the last day for filing a Declaration of Candidacy. Each City Councilmember shall be elected by the registered voters of the ward in which he/she is a candidate.

*A qualified elector is a citizen of the United States, 18 years of age or older, who satisfied any residency requirement for this election and is not otherwise disqualified by reason of a treason or felony conviction or insanity, unless their civil rights have been restored by a court of competent jurisdiction.

Please note that if, upon receipt of credible evidence indicating that a candidate has been convicted of a felony and has not had his civil rights restored by a court of competent jurisdiction, filing officers may pursue removing the individual from the ballot (NRS 293C.185).

**Actual residence is defined in NRS 281.050 as the place where a person is legally domiciled and maintains a permanent habitation. If the person maintains more than one such habitation, the place the person determines to be his or her principal permanent habitation when filing a Declaration pursuant to NRS 293C.185 shall be deemed to be the person's actual residence.

Provisions

If at 5 p.m. on the last day for filing a Declaration of Candidacy, there is only one candidate for any office, that candidate must be declared elected and no Primary or General City Election may be held for that office (NRS 293C.180). Elected officials shall qualify and enter upon the discharge of their respective duties on the day of the first regular meeting of the City Council next succeeding the meeting at which the canvass of the returns is made (City Charter 5.100).
